**Hotel Review****They've got it all!**

Bonnie Brae Bed and Breakfast offers an outstanding array of conveniences. Great for family vacations, tourists and even business trips, this B&B has it all! For the business traveller, a fully equipped "work alcove" with internet, fax, copier and scanner services is available. The dining room also doubles as a business room, easily accommodating up to ten people; this makes it ideal for working groups or small business meetings. If it's a family vacation you're after, there are plenty of things to keep your children occupied. Children will enjoy "Valentine;" a white Bichon, this hypo-allergenic, non shedding dog is the perfect companion for children looking to make new friends. If planning on bringing a pet of your own, make sure to inquire first. There is also an in-ground pool that kids can enjoy; parents can relax in the sun room or back patio overlooking the pool.
