It's Tea Time

If you've never been to Tiffin Time Teas make sure to stop during your next visit to the Wellington and Holland area. This pocket-sized store has a hint of the whimsical to it - reminding you of Alice's adventures with the magic mushroom as you step in and gaze at the array of glass pots displaying teas from around the globe.

Turning a New Leaf!

Tiffin Time Teas first opened it's doors in November 1999 as an answer to the increasing demand for tea as an alternative to coffee. Here you will find a large selection of loose teas from regular Ceylon to the rarer green teas. You will also find a good choice of tisanes which are an infusion of herbs, flowers or spices into tea. Since the teas are ordered in small batches they are always fresh. More and more people are turning a new leaf! Whether or not you want to wake up with an invigorating cup of mint tea or wind down with some relaxing chamomile, a cup of tea is just the thing.

What's in a Cup'a Tea?

Outside of it's delicious taste, tea is renowned for its medicinal qualities. It has cancer fighting properties, improves memory, reduces the signs of aging, prevents dental decay, relieves

constipation, and a whole lot more. But make sure to do some research before you go so that you will know which tea is right for you.

More Than Just Tea!

A carrier of TY collectible plush toys, Tiffin Time Teas has a core base of customers who rely on Tiffin Time to provide them with new releases to add to their collection every month. These little creatures make a great gift for anyone on your shopping list. (Heck, buy them for yourself and have a tea party!)

The Proper Method

When making tea, add one teaspoon of tea for every cup required. Cover the pot with a tea-cosy so that the tea doesn't cool off too fast and let steep for about 4 to 5 minutes. Serve immediately. For green tea, let the water cool slightly before adding it to the pot. Steep for no more than three minutes so that the flavour isn't too bitter.

Tiffin Time is a wonderful place. We buy all our teas there. They have a superb vanilla cream tea that we can't get enough of. Also, try their Riobus teas - simply amazing. The owner is always cheerful and service oriented. When ordering, she usually gives you a little

more than you ordered for the same price. She doesn't worry about a few extra grams, she knows that it is part of the value added service that she offers. A pleasure to shop there.
