Check out Vicious Varieties first Spring Car Show next week at the Williamstown Fairgrounds. Founded in 2017, this SD&G car club brings together car enthusiasts of every make and model from the classics to fast and furious turbos and supercars.

The car show is part of Beyond 21 Foundation's 5th annual Spring House Tour and Vendor's Market event taking place on Sunday June 17th from 10 am – 4 pm.

Tour 5 spectacular homes around Cornwall and Glengarry followed by a visit to the historic Williamstown Fairgrounds. Guests can explore the Fairgrounds, meet local artisans and purchase unique gifts or sample local delicacies prepared by Sweet Indulgences by Anne, About Thyme, or internationally award-winning Glengarry Fine Cheese.

Great family fun for a good cause!

Tickets are \$25.00 per person and include entry to the house tour, vendor's market and car show. Not interested in the house tour? That's okay. Admission to the vendor's market and car show can be purchased separately for \$5.00 per person. All proceeds from the Spring House Tour, Vendor's Market and Car Show support the Beyond 21 Foundation.

Serving the counties of SD&G and Akwesasne, Beyond 21 provides programs for adults, aged 21 or older, who have a developmental disability. These programs help highlight and maximize each individual's potential while creating a safe environment where adults with developmental disabilities can thrive and grow socially, physically, emotionally and intellectually. The organization relies entirely on grants, donations and fundraising events – such as the Spring House Tour and Vendor's Market – to sustain and expand services for local residents.
