June 20 2018 BY TARA MACDONALD News Staff

The village of Green Valley's will be hosting a commemorative event this weekend in celebration of their 140th anniversary. Celebrations will take place at the Community Centre from 1:00 pm to 5:00 pm on Saturday and Sunday.

"What we're doing is bringing people back to their roots," said Ron Lajoie of the Green Valley 140th Birthday Committee. Members of the community past and present are encouraged to share their memories and contribute to a presentation of family banners featuring photographs of Green Valley natives and their families throughout the ages.

Step-in-time with Green Valley's finest musicians!

Saturday's entertainment will include Emile Lafave of the Gee Vee's playing classics from the '50s and '60s, followed by country music favourite Bob Beriault. On Sunday, guests will enjoy Francophone and English tunes by Lee MacKinnon, followed by Mr. C and the Home Town Horns.

"All of the talent will be performed by local artists who grew up in Green Valley or have ties to the community," said Mr. Lajoie. "We wanted to make sure that we featured different talents from our area, playing music and singing songs from the different eras so people can relive those moments."

Other attractions include a presentation of hockey memorability by local collector Leo Seguin as well as a wine and cheese.
