Fresh off the Vine! Stonehouse Vineyard now offering Table Grapes to the public

September 18 2019 BY TARA MACDONALD News Staff

What better way to spend a beautiful fall weekend than exploring the countryside and taste testing some of Glengarry's finest offerings? In addition to wine tastings, Craig MacMillan and Joanne Pratt of Stonehouse Vineyard in Lochiel are now offering several varieties of table grapes which can be purchased on site or at the Glengarry Market on Main St. in Alexandria. "The Trollhaugen is a true table grape and always the first to ripen of our table grapes", said Mr. MacMillan. Other grapes that will become available over the next few weeks include two white varieties – the Kay Gray and Prairie Star – as well as St. Croix and Sabervois which are red varieties. "This is our first year selling grapes to the public," explained Mr. MacMillan. "We are offering some of our experimental grapes as we test out new varieties for wines." Fall hours come into effect this week with Stonehouse Vineyard opening on Fridays, Saturdays and Sundays from 1 to 4 pm. For more information, call 613-859-3517.
