On Wednesday June 6, Tim Hortons Restaurants from across Glengarry participated in the annual Camp Day fundraising drive.

On Camp Day, 100 per cent of proceeds from hot coffee sales is donated to the Tim Horton Children's Foundation. Tim Hortons customers also have the opportunity to participate in various fundraising activities organized by participating restaurants and volunteers such as the Dollar Drop, Spin to Win, Peel'n'Win, plant sales, windshield washing and barbeques.

Local Tim Hortons managers were eager to point out the importance of volunteers and local businesses in making Camp Day a success. Businesses in the area donated hot dogs and sausages, plants, gift sets, clothing and other prize items while volunteers donated their time and efforts.

The Foundation operates seven Tim Hortons Camps across Canada and the U.S. Open year-round, the Camps deliver programs designed to build self-esteem and leadership skills that support children in their ability discover their hidden talents, to take pride in their accomplishments, and become contributing members of their communities.

This year, Camp Day proceeds will help send more than 20,000 kids from low-income homes to a Tim Horton Camp for a life-changing experience. "It makes a big difference in the lives of children," said Tim Hortons manager Tina Duchesne. "Knowing that we helped put a smile on a child's face brightens our day."

It's not too late to donate! Pop by one of your local Tim Hortons Restaurants to make a donation in person or visit www.timhortons.com/campday to donate online.
